**Registration Open for SANE Training Made Possible by Foxwynd Foundation DAF**

West Chester, PA — CVC is proud to be providing an Adult/Adolescent Sexual Assault Nurse Examiner Course this month at the Chester County Public Safety Training Campus on March 31<sup>st</sup>, April 1<sup>st</sup>, April 7<sup>th</sup>, and April 8<sup>th</sup> from 7:30 am to 5:30 PM. All registrants must attend all four dates. This training is being offered free to all local nurses. SANE training for local nurses is vital, as it ensures that victims of sexual assault have accessible, compassionate, and comprehensive care following the traumatic event. Through their training, SANEs learn to conduct forensic examinations, collect and preserve evidence, and provide critical documentation that can be vital in legal proceedings. They work alongside CVC Victim Advocates who provide emotional support, information and resources.

Those interested in registering can register at [www.jmfnc.com](http://www.jmfnc.com) and questions can be directed to CVC's COO, Ashley Shea at [ashleys@cvcofcc.org](mailto:ashleys@cvcofcc.org).

We are deeply grateful to the Foxwynd Foundation Donor Advised Fund for their commitment to enhancing the safety and well-being of our community.
